Salem Reformed Church in Bethel, PA is an historic 206 year old icon in our community—and there is still life inside the walls! Though none of the founding members attend, we are still an active, though aging, congregation. We are involved in the Council of Churches, Fire Company and Lions Club. We pack shoeboxes for Operation Christmas Child and host Kids Club (a released-time activity) once a month.

Our worship experience on Sunday mornings has no fog machine, though we are accustomed to videos and slides on the screen! Though we are comfortable with a traditional framework in worship, we are not bound by the bulletin. We sing uplifting music and our small choir joyfully sounds forth each Sunday!

Our rural area is growing in both agriculture and warehousing. We are centrally located to the major metro areas of Harrisburg and Allentown, PA. We are just 20 miles from Cabela's and minutes from Kauffman's BBQ Chicken Ranch! Sheetz has recently opened in our community so MTO subs are just a mile away from the church!

We are seeking a part-time pastor to care for us and our community. A solid biblical faith based in the Reformed Christian tradition of great grace is required. We can offer a small (\$22K) salary for 20-25 hours of work per week, but have no housing available. The ideal candidate looks like Jesus and is about His age, is very relatable and visual with outreach-minded energy. Encourage us beyond our box!
